

FOR INSPIRATION AND RECOGNITION OF SCIENCE AND TECHNOLOGY

## Do you like robots? Love playing with Legos?

Emmanuel College is once again offering the much acclaimed First Lego League for Middle School students. Strategize, design, build, program and test an autonomous robot using LEGO MINDSTORMS® technology.

The course will take place at 10 am in four consecutive 2-hour Saturday sessions in March and April.

Students will be prepared to compete in next fall's First Lego League Competition. This program is open to all students regardless of prior experience with Legos or robotics.
