

Emmanuel College

Emmanuel/Merck Science Seminar
Co-sponsored by the Departments of Science and Education

“Transforming the Nation’s Relationship with Science and Technology”

DR. IOANNIS MIAOULIS

President and Director
Museum of Science, Boston

A reception will follow the lecture in the Fenway Room, Administration Building

Ioannis (Yannis) N. Miaoulis, is the President and Director of the Museum of Science, Boston. Originally from Greece, Dr. Miaoulis, came to the Museum after a distinguished association with Tufts University where he served as Dean of the School of Engineering, Associate Provost and Interim Dean of the University’s Graduate School of Arts and Sciences.

Dr. Miaoulis speaks often on science and technology literacy. He testified in 2009 on the importance of K-12 engineering before the U.S. House of Representatives Research & Science Education Subcommittee and in 2010 before the Senate Commerce, Science, and Transportation Committee. He currently serves on the NASA Education and Outreach Committee and on Governor Deval Patrick’s Science Technology, Engineering and Math Advisory Council. Dr. Miaoulis is a member of the Boards of Trustees of Wellesley College and Tufts University.

WHEN: Wednesday, February 16th, 5:30 - 6:30 pm

WHERE: Library Lecture Hall
